TANKS

	CrossLinked Polyethylene Tanks (XLPE)	<ul style="list-style-type: none"> • High Performance Chemical Tanks • NSF Certified for Chemical Storage • Chemicals such as Sulfuric Acid, Sodium Hypochlorite, Sodium Hydroxide • Single Wall and Double Wall; Vertical, Open Top, Cone Bottom Tanks • Innovative Full Drain Series of Vertical Tanks
	Linear Polyethylene Tanks (HDPE)	<ul style="list-style-type: none"> • Water and Light Chemical Tanks - up to 20,000 Gallon Above Ground Capacity • NSF Certified for Water Storage • Tanks are approved for DEF Storage • Large Tank Inventory on hand at Tank Equipment warehouse
	Linear Polyethylene Tanks (HDPE)	<ul style="list-style-type: none"> • Water and Light Chemical Tanks • NSF Certified for Water Storage • Cone Bottom and Vertical Tanks up to 12,500 gallon capacity • Above ground and Below ground tanks
	Fiberglass Reinforced Plastic Tanks (FRP)	<ul style="list-style-type: none"> • Chemical Storage Tanks and Brine Tanks • Cylindrical Filament Wound Tanks, Single and Double Walled • Vertical & Horizontal Configuration • Flat, Dished, Cone & Sloped Bottoms
	Steel Tanks	<ul style="list-style-type: none"> • Oil Field Tanks built to API 12F or UL142 standards • Carbon Steel tanks up to 12 ft diameter - 34,000 gallon capacity • Locally Manufactured = Less Freight

PUMPS

	Chemical Metering Pumps	<ul style="list-style-type: none"> • Solenoid Driven Metering Pumps up to 20 GPH • Brushless DC pumps up to 40 GPH & Motor Driven up to 114 GPH • Water Treatment, Wastewater, Agricultural & Industrial Applications • Two Year Bumper to Bumper Warranty
	Chemical Metering Pumps	<ul style="list-style-type: none"> • Solenoid and Motor-Driven Chemical Metering Pumps • Single or Dual Manual Control Options • Pulse Input or 4-20mA input available
	Air Operated Diaphragm Pumps	<ul style="list-style-type: none"> • Double Diaphragm Pumps Handle Liquids and up to 90% Solids • Pump Sizes Range from 1/4" to 3" • Polypropylene, Kynar, Aluminum, 316SS, Hastelloy C & Cast Metal Pumps
	Magnetic Drive Centrifugal Pumps	<ul style="list-style-type: none"> • Flows from 1/2 gpm to 200 gpm • Plastic and metal pump construction • Submersible and non-submersible
	Gear, Vane, Drum, PD, PC, Centrifugal, & Sump Pumps	<ul style="list-style-type: none"> • Positive Displacement and Progressive Capacity Pumps • Gear Driven, Rotary Lobe, Vane, Drum, Centrifugal, and Sump Style Pumps • Contact us for a quote on any pump

MIXERS

	Mechanical Mixers	<ul style="list-style-type: none"> • Portable & Top Mount Mechanical Mixers / Complete Mounting Systems • Fractional Horsepower to 100+ HP, Direct Drive & Gear Reduced • Sanitary and Stainless Steel
---	--------------------------	---

CONTROLS

	Controllers	<ul style="list-style-type: none"> • PH/ORP, Boiler, Cooling Tower Applications • Flow Meters, Conductivity Controllers & Condensate Monitors • Remote Web Based Monitoring, Controlling, and Alarming
	Level Control	<ul style="list-style-type: none"> • Level Transmitters, Level Switches, and Flow Monitoring Controls • Non-Contact Ultrasonic Level Measurement
